When you purchase a ticket, you receive a number for a ball between 1 and 99.

Starting at 6:15 PM numbered balls are drawn. If your ball is drawn you may win a door prize, but you may be out of the drawing for the \$1,000.00 prize – **maybe****

*****We will be selling raffle tickets for the 100th ball during the evening, so you can still have a chance to win the \$1,000.00 even after your original ball has been drawn.*****

When we get down to the last 5 balls (includes the 100th ball), those 5 people decide whether to split the \$1,000 or keep drawing – all must agree

Proceeds from this event will benefit Partners In Adventure's camps and year-round programs for children and young adults with disabilities
